Christians believe God the Creator cares for the creation, including human beings.

As human beings are part of God's good creation, they do best when they listen to God.

The Bible shows that God wants to help people to be close to him - he keeps his relationship with them, gives them guidelines on good ways to live.

Christians believe God made our wonderful world and we should look after it.

What would you have done if you were Adam or Eve?

Would you have chosen to take the fruit from the tree?

Is it possible to be perfect all of the time?  
Does everybody sin?

What is wonderful about our world?

What makes you say 'Wow'?

A Steward is a person employed to manage another's property. Adam and Eve were appointed stewards of the Earth by God. They were responsible for taking care and enjoying the perfect world God has made for them. The sin entered Earth and the world changed but they were still stewards.
