their views.

# Mutual Respect

Respect everyone  
however similar or  
different they are to  
you.

## With God's love:

We enable healing, repair and renewal, coping wisely when things go wrong, widening our horizons, raising aspirations and guiding everyone into ways of fulfilment.

*"God says, I know what I am doing. I have it all planned out; plans to take care of you, not abandon you.; plans to give you the future you hope for."*

The Three Trees is a popular Christian folk tale often used as a musical or play, particularly during Easter. The story follows three trees with different aspirations: one dreams of being a treasure chest, another a royal ship, and the third a sign pointing to God. Initially, their dreams seem dashed as they are felled and used for mundane purposes like a manger, a fishing boat, and a cross. However, they later realize they played a pivotal role in the life, death, and resurrection of Jesus, fulfilling their dreams in a way they never imagined as part of God's plan.

You Are Special tells the story of Punchinello, a wooden Wemmick, who feels unworthy because of the stickers – stars for being good and dots for doing bad things – that the other Wemmicks give each other. Punchinello, covered in dots, learns to appreciate his worth not from others' opinions, but from his creator, Eli, who loves him just as he is. The play emphasizes the importance of self-worth and acceptance, regardless of what others may think or the labels they may assign
