

# Where do people turn for guidance in life?

In this unit we will be working with philosophers and theologians

A PHILOSOPHER IS A PERSON WHO LOVES WISDOM. WISDOM MEANS KNOWING THINGS THAT HELP YOU LIVE BETTER AND BE HAPPY.

Non-religious (nones) Someone who does not follow a religion.

A Humanist is someone who does not believe in God. They believe that Science can explain the world.

The kara is a circular steel band with no beginning and no end to symbolise the Sikh view of God.

## The Golden Rule

That nature only is good when it shall not do unto another whatever is not good for it's own self.

Blessed is he who prefers his brother before himself.

What is hateful to you, do not do to your fellow man. That is the entire Law; all the rest is commentary.

Hurt not others with that which pains yourself.

This is the sum of duty: do naught to others that which if done to thee would cause pain.

Do unto others as you would have them do unto you.

No one of you is a believer until he desires for his brother what he desires for himself.

**The Golden Rule:**  
Treat others the way YOU want to be treated.
