

Pupil premium report 2025-26

Newton Regis CE Primary School

Total Income: £28,385

Planned expenditure for current academic year

ACADEMIC YEAR						
Quality of teaching for all						
Action	Intended outcome	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	Individual Cost	When will you review this?
<p>To provide high quality phonics teaching</p> <p>Little Wandle subscription and resources</p>	<p>Increase the % of children reaching the expected standard in the phonics screening and provide high quality intervention where necessary.</p>	<p>1. Phonics has a positive impact overall (+5 months) with very extensive evidence and is an important component in the development of early reading skills, particularly for children from disadvantaged backgrounds.</p> <p>2. The teaching of phonics should be explicit and systematic to support children in making connections between the sound patterns they hear in words and the way that these words are written.</p> <p>3. The teaching of phonics should be matched to children's current level of skill in terms of their phonemic awareness and their knowledge of letter sounds and patterns (graphemes).</p> <p>4. Phonics improves the accuracy of the child's reading but not necessarily their comprehension. It is important that children are successful in making progress in all aspects of reading including comprehension, the development of vocabulary and spelling, which should also be taught explicitly.</p> <p>EEF Foundation</p>	<p>Initial training revisited. Phonics champion to work with New ECT during CDT time</p> <p>Learning walks</p> <p>Lesson observations</p> <p>Monitoring the progress of children at each assessment point</p> <p>BDMAT reviews</p>	<p>Catherine Woodcroft</p>	<p>£378 Subscriptions</p> <p>Cover for CW £660 (one day per term)</p>	<p>Each assessment point based on phonics data</p>

To provide interactive homework and assessments for Maths – Sum dog subscription	Children to continue to engage with this at home and at school to increase maths fluency	Regular practice and revisiting concepts helps children commit concepts and methods to long -term memory	All pupils to have individual log in sent home.
